Expanding footprints

Here's how some **LM150** companies are adding to their territories.

New Jersey Best Lawns, Sprinklers & Fencing

The Lakewood, N.J.-based company opened multiple branches to reduce windshield time and improve profitability. Now that it has more locations, its focus turns to maximizing revenue per branch with a new marketing campaign.

Swingle Lawn, Tree & Landscape Care

Opening a third branch in Colorado has been difficult with the recent legalization of marijuana there. Commercial properties, being bought up by pot growers, are in short supply.

Ruppert Landscape

Ruppert started taking advantage of the low cost of real estate and historically low interest rates by acquiring its facilities versus renting. The company says this increases employee pride in their facilities due to the continual upgrades at owned facilities.

Environmental Earthscapes (The Groundskeeper/ Greater Texas Landscapes)

This Southwest-focused company acquired Hadden Landscaping in January to ramp up its coverage of the Dallas-Fort Worth Market.

The Brickman Group

In late 2013, before announcing in May it would merge with ValleyCrest, Brickman bought Dallasbased Metheny Commercial Lawn Maintenance.

Merit Service Solutions

Merit also grew in Texas. In early 2014 it added SunTerra Landscape Services to its ranks. Based in Austin, SunTerra serves more than 400 commercial properties throughout the state.

Webb Landscape

The Bellevue, Idaho-based company expanded into a new territory this year, opening a fourth garden center and growing its maintenance and construction divisions.
