

# Introducing **CASORON**<sup>®</sup>

CHLOBENIL WEED & GRASS KILLER

Here's the new herbicide that makes your weed-killing job much easier on (1) landscape ornamentals, (2) around buildings, office, home grounds, (3) on highway rights-of-way, (4) in park and recreational water areas.

CASORON is the multiple-use weed killer. It murders perennial and annual weeds before they come up.

Yet as devastating as CASORON is to weeds, it won't hurt ornamentals, evergreens and shrubs.

It's the one safe herbicide.

CASORON digs in and gets the job done. Then gets out with no injury.

And it's a total program. You use CASORON and that's all, for complete control all season.

CASORON is easy to apply. In most soil types, no incorporation needed.

Apply CASORON this fall. Come next spring, no weeds. You'll have more time for other jobs.

CASORON is available as G-4 granules, W-50 wettable powder or AQ granules (for aquatic weed control). Write to the address below for the name of your nearest CASORON dealer and a detailed booklet on how, when, and where to apply CASORON.

CASORON AQ controls certain weeds in parks and recreational waters.

CASORON should be a part of every landscape program—use CASORON for weed control on ornamentals around the office, building grounds, and the home.

CASORON wipes out weeds around ornamentals along highway interchanges, municipalities and institutions.

**THOMPSON-HAYWARD CHEMICAL COMPANY**

Subsidiary of Philips Electronics and Pharmaceutical Industries Corp.  
P.O. Box 2383 Kansas City, Kansas 66110
