

WEEDS TREES and TURF®

1971 SUPPLIERS GUIDE AND EQUIPMENT DIRECTORY

GOLF COURSE ARCHITECT DIRECTORY

1970 ARTICLE INDEX

Weeds Trees and Turf presents in this section its annual guide to suppliers of vegetation control chemicals and equipment in urban/industrial areas. There is a mixture of common and registered trade names, unavoidable since usage and recommendations of researchers refer to a particular chemical by one or the other, depending upon the newness of the compound, whether its common name is easier to use, or industry acceptance. There also will be some differences of opinion over the inclusion or omission of certain chemicals under particular use categories. Here again confusion exists among reference sources. We have made our choices on the basis of most frequent mention in our surveys which preceded this compilation. Readers' comments and suggestions are invited to help up improve future editions. Keep this year's guide handy for frequent use.

An index to editorial content for 1970 follows the Suppliers' Guide. Subjects and titles, cross-references, are listed for all major features, news stories, conference reports, editorial opinion, columns and letters. Contributing editors are listed at the end of the index.

TOP-RATED
 Top-Dressing

Terra-Green®
SPECIAL
TOP-DRESSING

for richer
fine turf

Added to your regular mixture, Terra-Green Special Top-Dressing ventilates the soil, reduces compaction, balances water intake and retention. The dust-free granules wet rapidly, absorbing their own weight in water, which they release to the surrounding soil and grass roots.

Containing over 5 million particles per pound, the small particles of calcined montmorillonite provide a greater surface area to aid water infiltration. The miniature size of the granules also permits top-dressing without aerifying, and avoids mower pickup, even immediately after application.

Terra-Green Special Top-Dressing is free-flowing for easy spreader application, non-toxic, non-caustic and will not burn grass or roots. Send for a free demonstration sample and make your own test of the remarkable absorbency that makes it No. 1 for golf courses, parks, athletic fields, home lawns, etc.

Terra-Green® Division of
 Oil-Dri Corporation of America

**That's No Way
To Treat Water**

**This Is!
with**

U.S. Patent No. 2,744,028 U.S.A. Registration Number 899-1

**Today's Safest,
Most Effective
Algaecide**

**Treat Your
Water Right!**

Applied Biochemists, Inc. (414) 271-5870
1748 N. Farwell Ave., Milwaukee, Wis. 53202

number one

Independent laboratory tests prove WILT PRUF 40 to 50 times more effective in stopping excess water-loss than any substitutes. You can have test details on request. Better still, you can try WILT PRUF yourself as a preventive against transplant shock, winter kill, summer scald, city air pollution. You'll find it's a real life saver. There is no second choice! Write on your letterhead for 50-page technical manual of applications.

WILT PRUF

NURSERY SPECIALTY PRODUCTS, INC. / 410 Greenwich Ave.,
Greenwich, Conn. 06830 (203) 661-5840

TWO GREAT PRODUCTS

BORERKIL®

KILLS BORERS in trees, shrubs, flowers WITHOUT POLLUTION. One application with special injector directly at the point of borer attack, kills the borer. No mixing, no spraying. Easy—Quick—Effective. Use BORERKIL on the job. Sell it over the counter. Bulk material available for use in your caulking gun.

TREATMENT #2

Pruning and Wound Sealer—Aids fast healing of tree wounds caused by pruning, mower scrapes and boring insects. Makes an effective seal that retains the insecticidal vapors of BORERKIL after this product is used to kill borers. Treatment #2 is available for over-the-counter sales or on-job use. Brushable formulations in quart and gallon cans will also be made available.
