

STIHL 041 AV *electronic*

In keeping with our policy of offering the most advanced and most dependable in chain saws — we have incorporated solid state ignition into the STIHL 041 AV Electronic Saw. Other than eliminating the need for points and providing a molded circuit that is impervious to moisture, dirt, and temperature extremes — this model offers big horsepower output coupled with a light 12½* pound weight and the fabulous new vibration absorbing AV handle.

**first and only lightweight chain saw
with built-in shock absorbers
plus solid state ignition**

* Less bar & chain
