

stump eater!

The new WAYNE STUMP KING[®] is here... it's a hungry machine! STUMP KING[®] chews up more stumps faster than any other method of stump removal. HIGH PRODUCTIVITY is achieved by quick set-up on the job and un-

matched cutting range. Choice of 2 models - 37 HP and 65 HP.

Send for FREE literature detailing the many money saving features found only in the WAYNE STUMP KING[®].
