

Pretty it ain't

You won't find fancy
shrouds, shiny hubcaps
or chrome accent strips
on a NATIONAL 68

*...Only its performance
proves its worth!*

FAST! Mows a 68-inch swath at speeds up to 4 MPH. That's half an acre in 15 minutes! Trimming time is reduced as reels reach out over curbs and up to obstructions.

EFFICIENT! Three power driven, free-floating reels follow ground contour. Reels shear grass cleanly without "tip burn."

DURABLE! Timken bearings; automotive-type transmission; heavy duty, tubular steel tie rods and bed knife frame; and cutter bar lip... all add to more years of use!

SERVICEABLE! No-nonsense design makes normal maintenance faster than any mower on today's market!

National Mower Company... our reputation is your guarantee of *quality!* Our start in 1919 makes us one of the (if not *the*) oldest power mower manufacturers in the U.S.A.
