

New Ford Residual Value Leasing Plan.

Flexible plans tailored to meet your needs.

Leasing opportunities take on a new perspective when you learn about Ford Residual Value Leasing.

With this new plan you pay only for what you use, not for what you don't use. This new leasing service provides greater flexibility than before in terms, periods and payments.

Residual Value Leasing is extremely flexible and can be adapted to match widely varying

business needs. It offers you the use of the latest high-production equipment and at the same time conserves working capital for other requirements.

To learn more about the latest advance in Ford leasing, visit your nearest participating Ford Tractor and Equipment Dealer. He is listed in the Yellow Pages under "Tractor Dealers" or "Contractors' Equipment & Supplies."

Protective cage on the Ford 340 Compact Loader is standard equipment. Other roll bars or cabs illustrated are optional at extra cost.
