

Pennstar Kentucky Bluegrass.

Evening in Oregon's fertile Willamette Valley, where production of fine quality grass seed is a way of life. One of the finest grasses produced here in the Pacific Northwest is Pennstar Kentucky Bluegrass. For ease of maintenance, disease resistance, beauty and compatibility, it's perhaps the best all-around turfgrass available today. For complete information, write: Pennstar Kentucky Bluegrass, P.O. Box 923, Minneapolis, MN 55440.
