# The Davis Difference.

The Fleetline 20+4's articulation and instant forward/reverse turn tight spots into wide open spaces!

Even with one hand behind you, the Davis Mono-Stick makes maneuvering no contest!

There's no better way to take on your underground chores than with the compact, highly maneuverable Fleetline 20+4.

It turns tight spots into wide open spaces to handle your trenching, sloping, backfilling and horizontal boring requirements.

This 18 hp rubber-tired trencher has 4-wheel Hydra-Static drive for instant directional change and equal speeds in either direction.

It trenches from 4" wide, 64" deep to 12" wide, 30" deep at varying speeds to match soil conditions.

The limited-slip differentials deliver equal torque to all wheels while hydraulic articulation provides a neat twist for ground-hugging traction!

It handles even the toughest jobs, while you perform all functions from a single control center, where the Mono-Stick makes maneuvering no contest.

See the Fleetline 20+4 at your Davis dealer, or call Davis Manufacturing toll free — 800/835-3016, and get the total scoop on The Davis Difference!
