

"I'M SAVING 15¢ ON EVERY GALLON OF GAS I BUY."

"With the price of gasoline these days, I want to be sure I'm getting my money's worth from every tankful. So I'm doing four simple things to save gas—and it's like getting a 15¢ discount on every gallon!

"Just slowing down from 70 to 55 mph on the highway saves enough gas to equal a 6¢ a gallon discount. Keeping my car tuned saves 4¢ a gallon more. And I'm saving another nickel a gallon just by using radial tires and keeping them

correctly inflated.

"That's like getting an extra \$3.00 worth from every tank of gas—and 50 more miles!"
