# Finally, An Aid For Teaching Turfgrass

Superintendents, Contractors, Lawn Care Managers, New, On-the-Job Reference. The Turf Managers' Handbook is a comprehensive, organized approach to turfgrass science and care. It has been designed and written by leading turf specialists from Purdue, Dr. William Daniel and Dr. Ray Freeborg, for on-the-job reference and as a text for students.

The book contains 150 illustrations and 96 color photographs. Data includes 240 tables and forms. Included are specifications for rootzones, employment, calculations for

chemical applications, and extensive metric-imperial conversion. Business and technical aspects of turfgrass management are covered in this 424-page book. Planning, purchasing, hiring, construction, and plant selection are put together for easy on-the-job reference. Markets covered include lawn care, sod production, golf course management, cemeteries, athletic fields, and low maintenance areas. If it concerns turf, it's in the Turf Managers' Handbook.

# Chipco® 26019 is getting the word

The word is spreading fast and it's all good. "With Chipco 26019 we've pretty well licked our disease problems and it lasts up to 21 days!" said Robert Williams at Maidstone Club.

Jim Anderson, Lost Spur C.C., emphasized 21 day residual control saying "The longer time between spraying has saved money and labor to keep us within budget." And Firestone's Jim Loke said, "with 200 to 300 players per day, the long spray interval adds extra convenience."

They're all impressed with just how effective Chipco 26019 is against the toughest disease problems like dollar spot, (including benomyl resistant dollar spot) brown patch, Helminthosporium (leafspot, and melting out) and fusarium patch in the Northwest.

Bent Tree C.C. Superintendent Warren Stringer said, "Leaf spot was epidemic in proportions here last Spring. Weeks of rain left our usual fungicides ineffective. Chipco 26019 turned the tide."

# ord from the guys that count.

Larry Bunn noted, "we controlled dollar spot and brown patch with two applications." And Chris Myers of Bloomfield Hills C.C. said that Chipco 26019 controlled dollar spot "longer than any other fungicide he used last year."

This season, ask your Chipco distributor or Rhône-Poulenc representative about Chipco 26019...the turf fungicide that outperforms anything else you can use, with about half the number of sprays. Who says so? *You, the turf care professional.* And as far as we're concerned, that's the last word.
