

# WANT A BUSINESS PARTNER TOUGH ENOUGH TO BULLDOZE THE BACKLOT? LATCH ON TO A BOLENS.

When you're in business for yourself, you need all the help you can get, at a price you can afford.

Bolens delivers.

Our fuel efficient diesel is a real work-horse, a partner you can count on.

Choose 2- or 4-wheel drive with 15 to 29 horsepower. Matched with exclusive

Bolens-made attachments, you've got a partner with the guts to get any job done right. From spring plowing and landscaping, to summer mowing, to winter snow-blowing.

Latch on to a long-lasting Bolens. You won't find a partner that works harder— or longer.

## PRODUCTS

**Kut-Kwick Corp.** has introduced its J Series mower. Its semi-rigid deck design offers ground contouring capabilities for smooth cutting on finished turf and extra traction for very rough

grounds conditions. The single blade is available in 31- or 36-in. cutting widths and the unit is equipped with a 10 horsepower cast iron engine.

Circle No. 175 on Reader Inquiry Card

**Agro-K Corp.'s PRO-TEC Anti-Transpirant** is designed to prevent winter injuries, excessive water loss, wind-burn and sun-scald. When diluted 7 to 1 it will treat approximately 70 three-foot evergreen trees and dry to a dull, non-sticky finish in 15 to 20 minutes.

Circle No. 176 on Reader Inquiry Card

**The Snapper Vac-N-Pac** grass catcher is a vacuum cleaning attachment for Snapper garden tractors from McDonough Power Equipment. It is installed directly to the rear of the tractor and prevents jack-knifing while operating in reverse because there is no pull cart. The Vac-N-Pac is used with a 48- or 54-in. rear discharge mowing unit

and the air duct is mount on the center instead of the side.

Circle No. 177 on Reader Inquiry Card

**Hobbs & Hopkins Ltd.'s Straight Tie** guy wires are made from 9 gauge galvanized wire and have a 360° loop at one

end covered with a weather resistant sleeve to protect the tree. Straight Tie allows newly planted trees (up to 1½-in. caliper) to be supported with just one stake.

Circle No. 178 on Reader Inquiry Card

Does the condition of your turf make you see red?

Switching to Pennfine Perennial Ryegrass could color your outlook. It's long been the standard of quality against which other varieties are compared. Why not simplify your life? Go with the most widely used fine-leaved perennial ryegrass in the nation. By the way, if you have trouble finding Pennfine, just ask the turf pro with the best-looking turf around. Chances are he's already using it. Pennfine Perennial Ryegrass, P.O. Box 923, Minneapolis, MN 55440

Circle No. 129 on Reader Inquiry Card

**Quickdraw by Caudill Seed Co.** is a liquid applicator for use with herbicides for instant spot killing. It is designed to be more efficient than spray-guns and rope devices. An available

adapter kit comes with an angle extension and foliage guard for use under young trees and valuable plants.

# New V-454: Keeps it simple.

Good news for utilities! Introducing the new V-454 from Vermeer. Designed specifically for utility work. Solid. Quiet. Simple. Loaded with important features that make it perfect for today's underground construction needs. Trencher. Backhoe. Cable Plow. Dozer. Huge 20.5 gallon fuel tank to keep you going all day. Easy access to regular maintenance points so that they don't get ignored or overlooked. Fold-up crumber for straight down starts. Positive

digging chain tensioning. Cutters bolted to both sides of the chain. Quick-mounting and dismounting attachments. Gas or diesel engine options. Big trenching capacity ... up to 18 inches wide, 60 inches deep.

Now that's a well built, well thought out digging machine! But, most important, built by a company that has set the industry standard for quality.

See your Vermeer dealer today.

**VERMEER V-454:** Digs up to 18 inches wide, down to 60 inches deep (standard). Installs cable direct down to 24 inch cover depth without surface disturbance. **ATTACHMENTS:** Trencher. Backhoe-blade. Vibratory Cable Plow. Dozer Blade. **FOR COMPLETE INFORMATION:** Call Toll-free (800) 247-2347. In Iowa call collect at (515) 628-3333.

Agriculture or  
Industry...

**"PIGGYBACK"  
WILL HANDLE  
THE JOB!**

For further information or demonstration, write or call collect for the dealer in your area. Dealer/Distributor inquiries invited.

Space-saving "Piggyback-style" transport. (Custom hitch-trailer available, if preferred.)

### Powerful... Safe... Extremely Versatile!

The Princeton "Piggyback" is one of the most versatile material handlers on the market today. It is inexpensive enough for small jobs but powerful enough for the big ones. With or without its Quick-Mount options, the "Piggyback" can handle a wide variety of jobs. It's strong...light and fast. You get heavy-duty durability with an exceptionally low ratio of weight to carrying capacity. But, most important, the "Piggyback" will do your big jobs with complete safety and stability even on rough terrain. Ask about a "Piggyback" Material Handler, today!

### Quick-Mount Options!

For even greater versatility include a large capacity hydraulic or mechanical scoop or hydraulic hole digger (6" to 36" diameter) option.

- Navigates curbs, logs, and other normal field or loading area obstructions with ease.
- Trudges easily through gravel, sand and mud...but floats over normal soil or sod.
- Turns quickly in its own length.
- Strong and safe on steep grades.
- Economical diesel engine for superior power for all adverse operating conditions. (30-50 hp)

# KERB® ENDS YOUR ANNUAL BLUEGRASS BLUES.

Annual bluegrass, alias *Poa annua*, is one tough, ugly problem. It will do a number on your fairways. But not if you apply Kerb preemergence herbicide this fall. Kerb prevents this seedy character from rearing its ugly head.

Kerb wipes out germinating *Poa* before it reaches the surface.

With Kerb your fairways stay green. *Poa* can't mature so there are no seeds tracked onto greens. And you can take out cool-season overseeding grasses like rye without harming dormant Bermudagrass.

Call your local supplier today and order Kerb 50-W herbicide. You'll never have the bluegrass blues again.

Circle No. 132 on Reader Service Card

## Use Kerb in the fall~ Poa won't sprout at all.

# WE MADE OUR SPINDLE UNSPINDLY.

## TO KEEP YOU CUTTING.

Toro works hard to give you the kind of riding rotary mower you want most.

A mower that keeps you cutting. Gets the job done.

In fact, we get down to the tiniest details to produce a totally durable mower.

For example, we designed an unspindly spindle to turn the blades of our Groundsmaster 72® and Groundsmaster 52® mowers.

First, we made its housing a rugged cone shape, not cylindrical like other makes. To tolerate greater stress and bombardment by rocks and other debris.

Next, we specified Timken "SS type" roller bearings, not just ordinary ball bearings. They take more thrust and are less

likely to damage the bearing housing, fall out and have to be replaced. And they don't need adjustment for proper seating.

Then, we put splines

rather than keys in the shaft and pulley. These machined grooves mesh like gear teeth all around, won't slip, and they wear much better and longer than key type systems.

Teamed up with more conspicuous durability features like hydrostatic drive and a Donaldson air cleaner, our unspindly spindle keeps you cutting longer and stronger.

Call your Toro® distributor. He'll tell you all you want to know about Toro riding rotary mowers.

Right now.

**THE PROFESSIONALS  
THAT KEEP YOU CUTTING**
