

# Now... 1" male valves that save you time and money... from TORO<sup>®</sup>, of course!

Globe valve for easy installation

Smooth opening & closing; opens & closes at low flow & pressure

High flow, low pressure loss

Stainless steel reinforced solenoids

Made of Super-Tuff<sup>®</sup> for rugged durability

Manual bleed; bleed ports protected with built-in filter

Super-Tuff is a registered trademark of DuPont

## TORO combines the best of old and new . . .

. . . the best of time-tested features and the advantages of modern technology. Toro has taken one of its most successful valves and built in an impressive array of new advantages. These new 1" valves are now male threaded to save fittings, save time, save money. Molded of DuPont 77 Super-Tuff, they are tough enough that you can throw them in your truck and never worry about damage to the threads or barbs. In areas using poly-pipe, use our barbed insert valves—just slide the poly-pipe on and fasten with a clamp. Imagine, a valve that uses *no* fittings! A TORO valve, naturally.
