December 8-11, 1986  
The Ohio Center  
Columbus, Ohio

Make plans now to attend the 1986 Ohio Turfgrass Foundation Conference and Show. Featuring more than 300 booths, the show is the industry's biggest and best regional event.

The conference includes in-depth lectures and workshops addressing a variety of subjects for those involved in golf course management, the lawn care industry, grounds maintenance or any other aspect of professional turf or ornamental management. Most technical sessions qualify for pesticide recertification credit and the Certified Pesticide Applicator's Exam will be given in conjunction with the conference. A one-day workshop on managerial productivity for GCSAA certification is scheduled for Monday, December 8.

Anyone involved in turfgrass or ornamental management is invited to attend the Ohio Turfgrass Foundation Conference and Show. For complete information and a conference program, contact:

## And you thought Du Pont Landscape Fabric was just for weed control

Throw a roll of DuPont "Pro" Landscape Fabric on your truck. You'll be amazed how many jobs it does, how good they'll look and how long they'll stay good-looking.

DuPont "Pro" controls weeds and lets air, water and liquid nutrients flow through. So stones and mulch won't wash away, and plantings stay moist. Black plastic can't match that.

DuPont "Pro" also helps keep

traffic and freeze/thaw cycles from heaving walks and patios. It fights erosion around streams, ponds and retaining walls. All of which helps your jobs keep that just-installed look for years.

DuPont "Pro" Fabric. It's more than you thought, and just what you need. For a free brochure, write DuPont Company, "Pro," Room G50476, Wilmington, DE 19898.
