LANDSCAPE MANAGER OF THE YEAR

co-sponsored by

LANDSCAPE MANAGEMENT

1988 Landscape Manager of the Year
Roy Peterman

Entry forms are now being accepted by the Professional Grounds Management Society and LANDSCAPE MANAGEMENT magazine for their third annual "Landscape Manager of the Year" award.

The purpose of the award is to recognize superior job performance among landscape managers, to challenge those involved in the industry, to achieve higher standards of excellence and to bring national recognition to deserving managers.

Any person directly responsible for the professional maintenance of one or more landscapes is eligible to enter. Applicants will be judged according to job performance, honors and awards, procedures and philosophies, and contributions to the green industry. Applicants will be asked, at the time of entry, to submit four 5 x 7 black-and-white glossy photos and 10 color 35mm slides of current work areas with a short narrative on each.

Your Business Partner

...Helping grow your business

As a busy lawn care professional, you can't be personally involved with the many critical details that go into making your business successful, details ranging from developing staff safety training programs to keeping abreast of the latest regulatory issues. That's why it is vital that you have the timely information that allows you to be proactive rather than reactive. That's why you need your Business Partner — The Professional Lawn Care Association of America. Let your Business Partner go to work for you on such assignments as:

- **Issues Management**
- **Training programs for pesticide management**
- **OSHA Hazard Compliance**
- **An effective telemarketing program**
- **Preparing a marketing plan**
- **Update on small business law**
- **Group Health/Life/Major Medical**
- **A Credit Collection Service**
- **A Liability Insurance Program**
- **A newsletter on lawn care issues**
- **A public relations program**
- **Gather major suppliers of lawn care products and services**

As the only international trade association of lawn care professionals, PLCAA has a strong history of providing the right information at the right time for the lawn care industry. Our staff and Board of Directors are dedicated to providing you with the professional business assistance you need to stay strong and informed.

To learn more about how to put your Business Partner to work — for less than a dollar per account per year, contact the Professional Lawn Care Association of America today. Clip and mail the return coupon, or call toll free **1-800-458-3466**.

ADD MUSCLE TO YOUR WORK FORCE, GET A BIG BOSS

The term "labor-saving device" might have been coined to apply to the Polaris Big Boss. It's your worker of choice when human hands, arms and backs aren't quite enough, but a pickup or dump truck is too much. And it's a terrific recreational vehicle as well, able to haul an entire campsite in a single trip, or supply a remote hunting cabin with food and equipment for a week. For farms, construction

sites, back yards, or the back woods, a Big Boss gives you the extra strength you need to do what needs to be done.

Warning: ATV's can be hazardous to operate. For your safety: Never carry

passengers, avoid excessive speeds, and be particularly careful on difficult terrain. Polaris ATV's may not be ridden by people under 18 years of age. Polaris recommends that all ATV riders take a training course. For safety and training information, see your dealer or call Polaris at 1(800)328-9975. (In MN, 1(800)247-6670).

Remember when you had to power rake THATCH?

Research at Michigan State University rated Bio-Groundskeeper for Thatch Reduction® most effective for reducing thatch. The easy-to-apply liquid is especially attractive for commercial application: **ALL NATURAL, EASY APPLICATION**, in-tank mixing with fertilizers or herbicides, no fear of moisture damage, **COST SAVINGS.**

Call our toll free 800 # for distributor nearest you.

Gateway to the '90s

Join the landscape professionals at the 1989 Green Team Conference and Trade Show, "Gateway to the '90s." This four-day event is your entree to a two-day exhibition of the industry's finest products and services. "Gateway to the '90s" is sponsored by the Associated Landscape Contractors of America and the Professional Grounds Management Society and features three full days of educational programs that:

- give you the most up-to-date information on horticultural practices, management techniques and business matters.
- examine in detail subjects ranging from landscape design/build and hydroseeding to sales and contract techniques.

It's four days filled with opportunities to learn — to socialize — to exchange ideas — to see and enjoy. Plan to attend.

Green Team Conference and Trade Show

November 9-12, 1989 ■ St. Louis, Missouri
St. Louis Sheraton and Cervantes Convention Center
