

# Wherever You Need A Low-Maintenance Turf Rely On

# Reliant

HARD FESCUE

**Roadsides, cemeteries, golf course roughs, vacation homes, orchards, reclamation areas.** Wherever maintenance is impractical, Reliant Hard Fescue is the one you can rely on. It thrives on low maintenance:

- Good performance without supplemental irrigation
- No fertilization needed (after initial establishment)
- Low growing
- Resistant to crabgrass encroachment
- Adaptable to full sun or moderate shade
- Improved disease resistance
- Tolerant to cold
- Dark green, leafy and fine-textured

Blend Reliant with other fine fescues. It's ideal for poor, infertile soils. Or wherever a fragile ecology doesn't allow fertilization. Reliant can be used on any area that's mowed infrequently or not at all.

**Rely on Reliant Hard Fescue** — the high performance turf for low-maintenance areas.
