Kubota has introduced a complete new mowing system, the FZ2100 Front Mower. From "A" – Auto Assist Differential (AAD) to "Z" – Zero Diameter Turning Radius (ZDT), it increases your power and mobility to handle all your mowing needs.

Equipped with 20 horsepower and four-wheel drive, the new FZ2100 Front Mower's zero diameter turning radius gives you the agility and power to get into the tightest spaces effectively. You can mow around trees, hedges, flower beds and other obstacles much more precisely and in less time. And, with the Auto Assist Differential drive system the machine automatically switches between 2WD and 4WD to match operating conditions and terrain, providing more traction and eliminating slippage. This increased productivity in all mowing conditions, and the FZ2100's ability to turn com-

DOES THIS PICTURE LOOK FAMILIAR?

BIOTURF NEWS

Will biologicals and organic turf products reshape the future of the green industry?

That's just one of the questions people have regarding the recently published biological and organic turf products. The bigger questions are: "Will they work as well as customary synthetic fertilizers?" and "What do they cost?" "How will these products change the way the green industry operates?"

There is a lot of competition in the pesticide industry for botanicals and natural products. The products will be useful for agriculture and landscape maintenance. The competition leading to the right path. The competition technology originated with the products that are well established by the organic industrial plants, who have continued the development of new products produced by the other technologies.

The industry is developing an increasing awareness and the products are available in additional products.

**Celebrating
Our
30th
Anniversary**
*and we're awarding a
cruise-a-month to celebrate*

Since 1963, California Landscape Lighting has been a leading force in the outdoor lighting field.

As we approach our third decade, we're stronger than ever. To celebrate, we've planned a big year, beginning with our "Lucky 6 Sailing" contest. Each month, until the end of 1992, we're giving away a cruise-for-2 to the Bahamas. A new contest will begin each month. Find out how you could win, by choosing the nation's leading distributor of landscape lighting for all your lighting needs.
