**Wildflowers!** They're a beautiful, low-maintenance alternative to mown turf. And no one can help you choose wildflowers better than Marie Pompei at Lofts.

**As a wildflower specialist,** Marie will consider your geographical area, the soil moisture, height of growth and time of flowering. She'll even consider colors. Then she'll recommend the specific mix to provide the best results.

If soil erosion or weed invasion are problems in your area, Marie can suggest the best companion grass. She'll also suggest how to properly manage the field for optimum floral display in the years to come.

**Wildflowers need very little care.** So they're perfect for roadsides, parks, golf courses, estates or industrial sites. They're ideal for areas that are hard to mow. Or any place that needs color. Try low-maintenance, natural wildflowers as your colorful alternative to high-maintenance turf. And get your wildflowers from Lofts.

Lofts has been a leader in the seed business since 1923. In fact, Lofts introduced Pinto as one of the first commercial wildflower mixtures.

**Call Marie at Lofts today.** She'll help you select the wildflower mix suited to your needs.
