Turfcats' 4WD redefines upward mobility.

- On-demand 4WD system with differential lock delivers hill climbing power with less scuffing.
- High capacity, deep tunnel decks deliver both mowing quality and productivity. 60" or 72" side or rear discharge rotaries. 60" fine-cut flail.
- Front-mounted implements powered by efficient, hydraulic PTO Drive.
- Power steering reduces operator fatigue.
- Controls within easy reach.
- Choice of high-back suspension seats for all day comfort.

Introducing the new, 4WD Turfcats®

The 4WD Turfcats T422D climbs steep hills* with just a flip of a switch. For better side hill traction, a step on a pedal engages the differential lock.

Unlike some mechanical versions, the Turfcats' hydraulic drive system also maintains constant 4WD in turns. Tire slip is reduced to maintain quality turf without scuffing.

The Turfcats' wide track stance and low center of gravity provide superior stability going uphill or down.

A two speed transaxle lets you match the Turfcats' speed to your job. Low gear provides more torque to the cutting deck, while the hydrostatic drive lets you

change mowing speeds to match conditions. High gear provides faster transport speed between jobs.

Dependable hydraulic systems.

Best of all, the Turfcats gives you a new generation of reliability with our exclusive, hydraulic 4WD and hydraulic PTO. Systems that do away with a host of moving parts. The results are smoother operation and longer life with dramatically less maintenance.

Choose the Turfcats you need: a 22 HP diesel in 2WD or 4WD or a 36 HP gas engine in 2WD.

See your distributor today for a demonstration. Find out how you can improve your upward mobility.
