

# We'd like to show you the weeds PENDINGULUM® controls. But they never showed up.

The reason they never showed up? Because PENDINGULUM® herbicide is a highly effective preemergent turf herbicide. Compared to the competition, PENDINGULUM demonstrates a higher level of control across a broader spectrum of weed species. With PENDINGULUM, weeds won't ever see the light of day. For the PENDINGULUM herbicide distributor nearest you, call: 1-800-545-9525, Ext. 1676.

# new Publication!

This new single-source reference provides the most current and comprehensive information on the basics of turfgrass and landscape management available today!

## The Landscape Management Handbook

edited by

William E. Knoop

125 pages, softcover

Item #LSMB830

\$34<sup>95</sup>

- ☛ Provides an overall understanding of turf and landscape care and management and covers all the basics of the green industry
- ☛ Covers all the topics both golf course superintendents and students of turfgrass and landscape management need to know about
- ☛ Combines practical information with the tried and true basics of management to provide a single, practical, affordable and up-to-date text
- ☛ Features detailed information, charts, diagrams, figures and tables to illustrate key information points

**The Landscape Management Handbook** provides a unique, single-source reference of comprehensive information on a variety of turf and landscape topics. It's an ideal handbook for golf course and lawn care superintendents and crew members, and is also appropriate for schools that teach basic turf and landscape management.

# PREVENT GRUBS. STOP THEM IN THEIR TRACKS. OR MAKE SURE IT'S NOT EVEN AN ISSUE.

Now you can control grubs preventatively or curatively. With a single application. Only with new MACH 2™ Turf Insecticide.

MACH 2 is a powerful killer with a new chemistry that accelerates the molting process of target insects.

Just hours after ingesting MACH 2™, the insect stops feeding. Then it dies beneath the surface in 2 to 3 weeks. It's that simple.

With MACH 2™ Turf Insecticide, you'll kill target

enemy insects all season long. Grubs. Cutworms. Armyworms. Sod webworms. Plus, odorless MACH 2™ is easy to apply. You don't even have to water it in immediately.

So don't let grubs control your grounds, or your schedule. Depend on MACH 2™ Turf Insecticide. It's all you need to prevent or cure.

For more information or for the distributor nearest you, call 1-888-764-6432.

**MACH 2™**  
TURF INSECTICIDE

**ALL YOU NEED  
TO PREVENT OR CURE.**

Use a truck for work?

We'd like to recommend an exceptionally well-

qualified candidate for the job. Dodge Ram. You'll find Ram's convenience, capability, and comfort make even the toughest work look easy.

New this year is our Quad Cab™ door option.<sup>1</sup> Twice the doors. Twice the convenience.

# Shows excellent job skills.

You get a choice of our 100,000-mile/5-year

Powertrain

Care Plus<sup>SM</sup> service contract, or \$300 to \$500 cash back.<sup>4</sup> And new for the program this year is a flexible financing and leasing plan.

Now there are more reasons than ever to put Dodge Ram to work for you.

And behind those doors? Amenities like a fold-down center console and optional under-seat rear storage system.

But don't let the niceties fool you.

This is still a Magnum<sup>®</sup>-powered beast. There's a choice of two V-8s,<sup>1</sup> an awesome 300-horsepower V-10, or a newly refined, more

powerful 24-valve Cummins Turbo Diesel with 460 lb-ft of standard torque.

What's more, Dodge Ram received J.D. Power and Associates' award for "Most Appealing Full-size Pickup," three years in a row.<sup>2</sup>

Here's something else that's appealing. Dodge Rams are the longest-lasting full-size pickups on the road.<sup>3</sup>

To make your ownership experience even better, there's our On The Job program, which gives special treatment to qualified commercial customers.

# Ram The New Dodge

For more information, call 1-800-WORK RAM or visit our Web site at [www.4adodge.com](http://www.4adodge.com)

Always use seat belts. Remember a backseat is the safest place for children.

<sup>1</sup>Club and Quad Cabs, and 5.2L V-8 not available on chassis cab models. <sup>2</sup>J.D. Power and Associates 1995-1997 Automotive Performance, Execution, and Layout Studies<sup>SM</sup> 1997 study based on 29,187 consumer responses. <sup>3</sup>Based on percentage of 7/88-7/97 new pickup registrations still registered on 7/1/97. Data Source: The Polk Company. <sup>4</sup>N/A on Ram Quad Cab 1500. Service contract option not available in AL, FL, MS, OK or UT. No refund if canceled. Some vehicles ineligible. There is a \$100 deductible for each covered repair visit. Tire coverage covers only complete or pro-rated replacement for original four tires, excluding spare. See plan copy and full details at dealer.

**Another LM exclusive: PLCAA takes fresh approach to education**

*Terry McIver*

TERRY McIVER  
Editor-in-Chief

**B**arring any trademark disputes, the Professional Lawn Care Association of America's Education and Research Foundation will be hereafter known as the Evergreen Foundation.

Dale Amstutz of Northern Lawns, Inc., Omaha, NE, is a PLCAA past president who now serves as president of the Foundation. Its stated mission is to "marshal the resources of the Green Industry and others to promote the development and maintenance of trails, greenways and other green spaces to improve the quality of life in America."

The theme of the Foundation is, "We improve the quality of life through green spaces."

Amstutz, in an exclusive interview with LM, says that in June of 1997, PLCAA took a hard look at what the original Foundation had accomplished, and saw room for improvement.

Now, says Amstutz, those who are on the current Foundation board know what's expected of them and are ready to work.

"It's a whole new fresh start," insists Amstutz. "We're going to evaluate ourselves regularly. And maybe each one of us will fill out a personal evaluation each year."

"We're doing a long-range plan, with specific goals," says Amstutz, who for years has been a dedicated member of PLCAA.

Helping with those goals are co-director Jim Brooks, lately with the Lawn Institute, and long before that PLCAA, and secretary Bob Tracinski of John Deere company.

Amstutz told LM that a committee would put together a philanthropic plan during the last week in April, to address questions of fund raising and staffing. Co-directors Dave Hanson of Envi-

ronmental Care and Ron Johnson of Novartis are working on a stewardship committee to set some guidelines for board member accountability, which include attendance at meetings and possibly fund raising assistance.

PLCAA also decided to inject some new blood into the Foundation by having PLCAA immediate past-presidents serve on the Foundation board," says Amstutz. Service on the Foundation board, "had been almost an honorary position; that's probably why nothing happened."

Another caution which Amstutz says sparked the Foundation to rethink its efforts, is that it had become too much of a self-serving entity, something which could have caused legal problems under its 501(c)3 classification. Lobbying on behalf of itself, for example, is not permitted.

Lou Wierichs, Jr., Pro-X Systems, Appleton, WI, serves as Foundation vice president. PLCAA executive vp Tom Delaney is treasurer.

Other changes at PLCAA include an upgrade to Windows 95 software, and a new health care provider, which according to Delaney, will save the association \$7900. A new long distance telephone service is also saving the association about \$500 per month. And, the PLCAA website will soon include a "members only" section.

In other big news, The Lawn Institute has agreed to let Turfgrass Producers International be the Institute's "green knight." TPI was in the running to merge with the LI, as was PLCAA.

Says TPI's Doug Fender, "The Institute invited TPI to pick up the mission of the Lawn Institute and let [the Institute] dissolve. We're very excited. We can integrate the Lawn Institute's mission (to proclaim the benefits of turfgrass) into the TPI Turf Resource Center. In the future there may be an opportunity to revitalize the Lawn Institute as a separate entity." **LM**

*One final exclusive: my wife Terrie and I were blessed with a beautiful baby girl on April 9th. Her name is Hannah Marie. God is faithful!*
