# What other mowers dream of becoming.

Nestled in their sheds at night, ordinary mowers dream of only one thing: growing up to be a Kubota F-60 Series. And it's easy to see why.

The Kubota F-60 Series features our exclusive Auto Assist 4WD with Dual-Acting Overrunning clutch. It automatically transfers power to the rear wheels when the going gets tough. Or, you can manually engage 4WD on the go. Either way, it gives you unequalled traction and maneuverability while reducing the damage to your valuable turf.

The durable, independent hydraulic PTO clutch lets you engage and disengage PTO driven implements on the move. A real time-saver in tight situations.

*Available with 60" or 70" side discharge mower or 60" or 72" rear discharge mower.*

*Visibility and maneuverability will increase your productivity.*

Kubota's advanced E-IVCS diesel engines are designed to deliver maximum power with minimum vibration and noise. Plus, these super-efficient powerplants go a long way in cutting fuel costs and emissions.

Available in 22, 25 and 30 horsepower 4WD models, the Kubota F-60 Series also comes in a 25 horsepower 2WD model.

So if you're looking for a front-end mower that handles like a dream, see your authorized Kubota dealer today.

*For more information please write to:*

# THE ULTIMATE WHEELBARROW

Spreading mulch, compost and soil mixes by hand is a costly, labor intensive process. The Express Blower will turn an inefficient process into a profit center and blow your competition away!

The Express Blower can be operated by one person, with remote control, in any weather, on any terrain. Spread any number of organic materials for landscaping, lawn restoration, erosion control and much more.

With our ALL NEW Injection System, the Express Blower can inject seed, fertilizer or other additives with only one application.

Get a jump on your competition. Call today and find out how you can expand your possibilities with an Express Blower!

Visit our web site at  
[www.expressblower.com](http://www.expressblower.com)  
A division of Rexius Forest By-Products, Inc., Eugene, OR

Circle 107

**5 MEN AND A WHEELBARROW**  
A typical 5-person crew can spread 8 cubic yards per hour.

**1 MAN WITH THE EXPRESS BLOWER**  
One person, can blow 30 to 100 cubic yards per hour.

# A Better Trim

**\$9,768.00**

Introductory price for model Y550, effective to March 31, 1999.  
Freight and setup extra. Some dealers may sell for less.

Introducing the Farm King Triplex mower - the gang mowing system with a new level of efficiency in more ways than speed.

There's no better or faster way to trim a turf. There's no machine that will last longer, require less maintenance or do more with less horsepower.

Three models - 13', 16', and 19' cutting widths all for Cat. 1 hitches.

## FARM KING

## THE BEST WAY TO MANAGE YOUR TRUCKS IS TO GET THEM FROM A TRUCK COMPANY.

The reason you've never seen the GMC emblem on a car is very simple: we've specialized in trucks, and only trucks, for over 90 years. We've concentrated on commercial issues like power, payload, operating efficiency — all the important details that matter to people like you, who are running a business.

### **In Trucks, Like In Business, The Details Are Important.**

At GMC, we try to make every little detail count on the bottom line. Our advanced Dex-Cool® coolant is designed to go 150,000 miles before a scheduled change.\* Our Vortec engines offer impressive power — from the capable Vortec 4300 V6 to the mighty 290 hp Vortec 7400 V8.

These Vortec gas engines have a one-piece serpentine drive belt, platinum-tipped spark plugs and other long-life components that

allow you to drive 100,000 miles before the first scheduled tune-up.\* These may be details, but they mean your trucks can spend more time on the road, less time in the shop.

### **You Take Care Of Your Business, We'll Take Care Of Your Trucks.**

We offer a full line of trucks for a wide range of applications. When you visit a GMC dealer, you'll find salespeople as specialized as our trucks who will help you with information, recommendations and ordering assistance. And you'll also find GM-trained technicians providing expert truck maintenance. For more information about GMC, see your GMC dealer, call 1-800-GMC-8782 or visit us at [www.gmcforwork.com](http://www.gmcforwork.com) on the web.

You specialize in your business, we specialize in trucks.

\*Maintenance needs vary with different uses and driving conditions. See owner's manual for details.
