

When a low profile is important . . .

**NEW** TRIMEC®  
**TURF ESTER**  
**LOW ODOR**  
**BROADLEAF HERBICIDE**

*Low Odor*

*Low Volatility*

*Low Profile Application*

**New Low Odor Technology**  
**Same Outstanding Weed Control**

**N**ew Trimec® Turf Ester Low Odor Broadleaf Herbicide combines the penetrating power of a low volatile ester with Gordon's exclusive low odor technology.

Trimec Turf Ester gives fast visual response on dandelions and other common target weeds, including over-wintering early-treatment targets such as chickweed and henbit. Trimec Turf Ester maximizes your spectrum of control to include the toughest weed control challenges like ground ivy, oxalis and spurge.

And there's no offensive odor to cause unnecessary concerns or *phone calls!*
