

Track Star!

Top-notch Traction For Your Toughest Tasks.

All New!

Bobcat® 864 G-Series Compact Track Loader!

Extend your working season! Rugged rubber tracks deliver extra traction and greatly reduced ground pressure—as low as 3.8 PSI—with low ground disturbance. The Bobcat 864 offers superior flotation for working on soft, wet, even muddy ground where other machines stop dead!

You get more pushing power, too. Hydrostatic drive system delivers plenty of muscle for grading and digging.

The NEW 864 G-Series

Compact Track Loader

New! G-Series engineering sets the standard for operator-friendly performance! You'll love the comfort and convenience!

- Excellent visibility to sides, front and rear corners.
- Roomy comfort for operators of all sizes.
- Fully enclosed cab and heating system available.
- Fully-adjustable suspension seat, standard.
- Rear-pivot seat bar.
- State-of-the-art instrumentation.
- System shutdown protection available.
- High-flow auxiliary hydraulic option.

For a FREE "Bobcat Advantage" video and 40-page Buyer's Guide, call our 24-hour fax-back line: 1-800-662-1907 (Ext. 702).

Speed production and cut labor costs on your jobsite with dozens of job-matched Bobcat attachments.
