

A good business relationship begins with quality products.

But a great business relationship includes outstanding service, convenience and value.

LESCO offers the most complete line of professional products in the landscape management business. But quality products are just the beginning. Service, convenience and value make the relationship complete.

SERVICE. Every product LESCO sells is backed by service and technical expertise. With knowledgeable professionals at all LESCO Service Centers® and a full staff of technical service representatives at our corporate headquarters, product recommendations and technical

input are yours for the asking. Whether it's agronomic program development, soil testing or locating a hard-to-find item, LESCO can help. And with on-site service technicians at most locations, equipment service and repair are also part of the package.

CONVENIENCE. With 234 LESCO Service Centers in 38 states, most landscape managers can simply pick up the product they need, when they need it—even on Saturday. And that's not all. LESCO also offers traditional
