**Tired of worrying whether you'll have enough workers? Worker quality a problem?**

Mid-Atlantic Resources Association can furnish seasonal workers in 2001 through foreign H-2A/H-2B visa programs as well as by recruitment of U.S. workers.

MARA is a full-service labor compliance and supply company.

Competent workers are available for a wide range of orchard, greenhouse, nursery, landscape, groundskeeper, and other jobs.

If you were short on workers in 2000 and want to find out more about how the federal H-2A and H-2B programs can meet your labor needs in 2001, please call Libby Whitley at 804-277-5800. Fax us at 804-277-9338.

The Sports Turf Managers Association (STMA) is an organization of professionals representing all segments of the sports turf industry. Our members work to combine the science of growing turfgrasses and the art of maintaining both natural and artificial athletic field materials to produce safe and aesthetically pleasing playing surfaces. STMA provides members with a variety of benefits, including: educational opportunities; support for sports turf research; facilities tours; a national awards program; certification program; job hotline; website: [www.sportsturfmanager.com](http://www.sportsturfmanager.com); reduced rates for the STMA National Conference & Exhibition; complimentary subscriptions to Sports Turf Manager and sportsTURF Magazine; and MUCH more!

**If you're serious about the sports turf industry, then it's time to become a member of STMA. Join today!**

**Become a Certified Sports Field Manager**

Certification provides a vehicle to raise the level of professionalism within the sports turf industry. It establishes credentials that signify a specific level of expertise to open career opportunities and promote the profession. It provides a means of recognition for attaining a level of expertise and performance as professionals in the industry. Certification will increase opportunities for education and training. In addition, the recognition achieved through certification will create and promote better opportunities.

# Creating Simple Solutions

As manufacturers expand controller capability and size, we create convenient solutions to easily adapt our remote control systems. To eliminate hardwiring, we produced Receiver Cards for quick and easy, permanent installation that are capable of operating up to the controller's station capacity. With one transmitter you can control Receiver Cards for Rain Bird® ESP MC & LX, Superior Sterling and Irritrol® Dial & MC controllers. We also offer portable, universal models for all 24VAC controllers.
