THIS AND THAT

## Keep on truckin'

Trees have never been in better hands.

The Davey Tree Expert Company knows this when driver Bobby O'Shields hits the road every day. That's because O'Shields, who first drove one of the company's semi trucks out of a parking lot in 1979, recently surpassed 1 million accident-free miles, a monumental feat, says Fred Johnson, Davey's manager of operations support services.

appreciate what an accomplishment this is."

O'Shields has been to every Davey territory except Hawaii. He's hauled a lot of interesting cargo, but the

most exciting had to have been the Dallas Cowboy cheerleaders, who were making an appearance at Kent State University's homecoming parade.

three years, Warren split time working as an agent at National Sports Management and "doing the books" for his landscape business. Seven years and \$2 million dollars more in revenue for his company, Wheat has no regrets about leaving sports altogether.

however, he only started 16 games from 1989 to 1991. Tom Flores was hired as the Seahawks' new coach, and, favoring a youth movement,
