

# Works where wheels won't.

## Bobcat Compact Track Loaders

Here's top traction for your toughest tasks. The Bobcat® T190 and T200 loaders dig in to keep you working on soft, wet, even muddy ground where other machines stop dead! Rugged rubber tracks deliver extra traction, superior flotation and greatly reduced ground pressure — as low as 3.8 PSI — along with plenty of pushing power for grading, digging, lifting and loading.

121-4

syngenta

## Simply lasts the longest.

Among all broad-spectrum preventive fungicides, Heritage® is the longest-lasting. It works up to 28 days to prevent brown patch and most landscape ornamental diseases. That means fewer applications. And more time for everything else.

# WHY WAIT TILL NEW YEAR'S TO MAKE A RESOLUTION.

**ZERO DOWN. NO INTEREST UNTIL 1 APRIL 2003.\***  
**NO PAYMENT UNTIL 1 MAY 2003.\***

7-Iron® mower decks. Kawasaki® engines. Exceptional parts service.

An exclusive two-year "single source" limited warranty<sup>†</sup>.

The finest commercial mowing

equipment under the sun. And, no reason to take a holiday from making a decision. But act soon — the countdown has begun.

This offer ends February 28, 2003.

JOHN DEERE

**NOTHING RUNS LIKE A DEERE®**

\*Offer ends February 28, 2003. Excludes commercial walk-behind models with mower decks less than 36-inches. Subject to approved credit on John Deere Credit Revolving Plan, for commercial use only. After promotional period, finance charge will begin to accrue at 9.9% APR for up to 48 months with a \$0.50 per month minimum, 9.9% APR for qualified customers only. Taxes, freight, setup and delivery charges could increase monthly payment. Available at participating dealers. †Dealer handles every warranty claim — there's no need to go to component suppliers for service. See dealer for details.

Circle No. 110

## MIGHTY. QUIET.

### INTRODUCING THE POWERFUL AND SURPRISINGLY QUIET GMC® SIERRA®

Jackhammers. Bulldozers. Impatient foremen. There's enough commotion on the job site without your truck adding to it. So our engineers designed the GMC Sierra to provide some peace and quiet. This impressive pickup offers a choice of incredibly powerful yet surprisingly quiet engines. Like the optional DURAMAX™ 6600 Turbo Diesel V8 that delivers 300 hp @ 3000 rpm and 520 lb-ft torque @ 1800 rpm. It offers exceptionally smooth, quiet operation, thanks to an innovative deep-skirt block design and common rail fuel injection that helps control noise, vibration, and harshness. Even the available Allison® transmission is engineered for smooth shifting and equally quiet operation. The newly redesigned GMC Sierra. You should hear what you're missing. For details, visit [gmc.com](http://gmc.com) or call 1-800-GMC-8782.
