

First you build the wall.
Then the wall builds you.

Stacks great.
Less filling.

Ours is the only solid, pinned block system. The pins make stacking as easy as putting a round peg in a round hole. And since the blocks are solid, you don't have to waste time filling cores.

You spend hours, days, sometimes weeks building it. Block by block. Paying close attention to detail. And when the job is finished, what do you get in return? A wall that's sure to impress your customers and colleagues alike. Reassurance that it's going to last. And an overwhelming sense of pride in workmanship. But that's just the beginning. Because with every VERSA-LOK® Retaining Wall you build, you're building a reputation. A reputation as a top-notch contractor who's dedicated to putting up nothing but the most durable, versatile, awe-inspiring walls around—on time and on budget.
