

**"In a matter of seconds,
you can go from
mulching to side-discharge.
There's not another
mower that can do that."**

The New John Deere 7-Iron II™ Mulch-On-Demand Deck.

"When we want to side-discharge, we can do it right from the seat," says Mike. "And we don't have to carry an extra piece of equipment." Just by engaging a lever from the operator's seat, the 7-Iron II mulch-on-demand deck goes from mulching to side-discharge in an instant.
