

“Narrow-Minded”

The new compact 17D has a one-track mind for maneuvering in conservative spaces. Its hydraulically retractable tracks and folding backfill blade help get you in and out of tight quarters with a minimum width of just 39 inches. Then, when you're ready to work, the tracks expand to over 50 inches for stability. Talk to your dealer or call 1-800-503-3373 to find out how a narrow-minded 17D Compact Excavator can expand your possibilities.
