

Calculate Your Green.

Visit CutlessGranular.com and try our Cost Saving Calculator and see your potential profit by using Cutless* Granular.

When using Cutless* Granular Landscape Growth Regulator, it's easy to be green and realize more profit generated from the most efficient use of your labor and resources.

The growth-regulating power of Cutless Granular helps your business contribute to sustainability by reducing fuel use and emissions, landscape clippings sent to landfills and plant water consumption—all while improving plant health. And for a greener bottom line, Cutless Granular has been proven to save over 50% of the labor costs associated with trimming hedges, shrubs and groundcovers. With Cutless Granular, it's easy to be green just about any way you look at it.

For more information about Cutless Granular Landscape Growth Regulator visit www.CutlessGranular.com or call 1-800-419-7779.
