“Jumbo Shrimp”

As compacts go, it's a freak of nature. With its standard swing boom, reduced tail swing, backfill blade, and rubber tracks the new 60D Excavator works in tight spots like our other compacts. But this true 6-metric-ton machine boasts big-machine features, too, such as a standard cab, pattern changer, more than 7,000 pounds of lift capacity, and over 13 feet of digging depth. See your dealer or call 1-800-503-3373, because you shouldn't have to choose between big and small.
