The Mulch On Demand™ deck. Only from John Deere.

It's time to put clippings in their proper place. That's why we invented the MOD deck for our ZTrak™ PRO 900 Series Mowers. It allows you to side-discharge clippings or, with an instant push of a lever, mulch them. Clippings go where you want them, not where you don't. It's just one of the many reasons why the ZTrak PRO is the ultimate mower. Demo one at your local John Deere dealer today.
