Biographical Note

Wynne O. Fremont was born Wynne Oscar Freyberg in Grodno, Russia (now Poland). He became a United States citizen in 1929 and worked as a research engineer and bridge designer at the University of Michigan and the Michigan State Highway Department.

[^ Return to Table of Contents](#)

Scope and Contents

The collection contains personal, biographical, and several scholarly works of Wynne O. Fremont, who was an engineer specializing in bridge construction. Papers include some of Fremont's work on the proposed Mackinac Bridge in Michigan, with emphasis on the effects of ice on the bridge.
