Historical Note

The Department of Pediatrics in the College of Osteopathic Medicine was formed circa 1979 and is concerned with the health care of the developing infant, child, and adolescent. The department's primary responsibility is to provide osteopathic students, interns, residents, and physicians didactic and clinical experiences in osteopathic medicine as they relate to this age group.

[^ Return to Table of Contents](#)

Scope and Contents

The record group consists of brochures about a College of Osteopathic Medicine Pediatrics conference.
