Scope and Contents

The records of the Engineering Research Division consist of the report, "A Systems Approach to Higher Education" by M. G. Keeney, H. E. Koenig, and R. Zemach, 1967. It is the final report for National Science Foundation project C-396 and relates to mathematical models for finance of higher education.

The Triga Nuclear Reactor Decommissioning series includes decommissioning work records, radioactivity survey records, radiation worker training documents, waste disposal records and pool waste water analysis records.

This collection also includes published (1925-50) and unpublished (1958-77) annual reports and serials #278 Engineering Experiment Station and #832 Engineering Research.
