Historical Note

The Department of Medicine was formed as part of the creation of the College of Human Medicine in 1964. The Department of Medicine has a nationally accredited Internal Medicine Residency program. This program provides a curriculum that teaches house staff both basic and advanced skills in Internal Medicine. Fellowships are offered in Cardiology, Hematology-Oncology, Infectious Disease, and Endocrinology.

Scope and Contents

This record group consists of 10 folders arranged chronologically. Folders 1 -8 contain material from 1956-1960 that relate to the establishment of the medical college at Michigan State University. Of particular interest is the "Proposal for Establishment of the Institute of Biomedical Sciences at Michigan State University" in folder 6.

Other folders include a program for Advanced Cardiac Life Support training, brochures for a study abroad program and a workshop, and newsletters (2006-2008).

Annual Reports are available separately (1967-1969, 2005-2007).
