## Historical Note

---

Since its establishment in 1963, the Office of Planning and Budget has reported to the Vice President of Finance and Operations and Treasurer, except between 1964 and 1971, when it reported to the Provost. In 1981, the Office of Institutional Research was merged with the Budget Office (1974-1981) (formerly titled Budget and Staff Appointments) to create the Office of Planning and Budgets.

## Scope and Contents

---

The records of the Office of Planning and Budget contain early accounts, vouchers, receipts and cancelled checks for 1852 to 1924. Of interest are bills for boarding halls, student labor accounts, and bills for equipment.

The 1875, 1876 and first part of 1877 vouchers are in order of year, abstract letter, and finally voucher number. This was done as there was no sequence of voucher numbers and in some cases repeats of same number and abstract. Ex. 1-103B, 1-22D. The last half of 1877 was put into voucher number order, without regard to abstract.

Other records in the collection include university budget requests and proposals as well as final budgets. There are also budget administration folders for 1957-1964 that contain administrator memos and correspondence and news clippings. Also included are salary information, salary and pay policies, block tuition reports, a space management report on policies and procedures. There is also a university data book for 1990 which contains student, course, faculty, staff, and financial data.

Electronic Resources include correspondence in the form of e-mail memos and attachments.
